

# WHAT IS BILL 2491? **REQUIRES THAT AG COMPANIES:**

**ONLY WILL APPLY TO 5 HEAVIEST USERS**  
Dow, Syngenta, BASF, Pioneer, and Kaua'i Coffee

**Disclose the use of pesticides and the presence of genetically engineered crops to the county.**

**Post public signage 72 hours before and after application.**

**Establish pesticide-free buffer zones around public areas and bodies of water.**

**Ban open-air testing of experimental pesticides and crops.**

**Place a moratorium on the commercial production of GMOs until the county can complete an Environmental Impact Statement on the industry's effects on Kaua'i.**

# PASS THE BILL 2491

## **STOP POISONING PARADISE**
